SF40

This refreshing 42.33m all-aluminium yacht, designed with SF Yachts, has many interesting features, including exceptional

owners' accommodation and multiple options for dining and recreation. Top speed is 16 knots but the SF40 can cruise for 4,000nm before refuelling.

Okto

Silence is the watchword for this 66.4m, ISA's biggest boat yet. Vibration is one-third to half that required by contract and the engines are whisper-quiet – so there's no distraction from the amazing deck spaces

ON BOARD

Formosa

Benetti shows off the talents of its own designers in the lines of this 60m, which was penned in-house and launched at the end of last year. The custom yacht has a private owner's deck and sleeps 12 guests. Dutch studio Sinot Exclusive Yacht Design, known for its sleek modern style, is responsible for the interiors.

43m Fast

With an estimated maximum speed of 33 knots, this all-aluminium yacht from Baglietto lives up to her name. Guests will be able to enjoy the breeze at speed on a massive flybridge deck, while the main deck features an interesting indoor-outdoor area between the saloon and the aft deck.
